## **A Message from CurlManitoba President – Lynn Fallis-Kurz**

On behalf of the CurlManitoba Board of Directors, staff, and approximately 100 member curling clubs across the province, it's an honour to bring greetings to all competitors, spectators, and supporters of the game.

At CurlManitoba we are proud of the accomplishments of our high-performance athletes, but recognize the foundation of curling remains at the grass roots level. Our strategic plan places a great emphasis on growing curling club capacity and further improving communication with our member clubs. We believe positive progress has been made in these areas with club focused newsletters, for example, as well as through conversations, shared resources, and workshops. Many clubs have also taken advantage of website and social media support through CurlManitoba.

Growing the game continues to be another high priority area for CurlManitoba. New opportunities are being discovered within our communities by partnering with groups like Winnipeg Newcomers Sport Academy, U15 bonspiels hosted around the province. We hosted a very successful joint Manitoba & Saskatchewan U15 Rockfest event where many of our high performance athletes mentored the next generation of curlers.

CurlManitoba in partnership with Curling Canada and other key stakeholders successfully implemented dedicated ice with training resources at the Heather Curling Club to our Manitoba High Performance, Emerging Next Gen Curlers and Provincial Championship teams. These teams had access to Championship quality ice and training resources. This initiative is a significant investment in the future of curling in the region and transforms how our Competitive Manitoba Curlers train and prepare for Competition.

Last season at the National Level, our Manitoba athletes continued to shine. Highlighted with our Mixed Doubles Team Lott/Lott and our Masters Mens team both winning Gold medals.

Last years 100<sup>th</sup> Anniversary of the Men's Provincial Championship was a huge success and we are looking forward to many more successful Provincial Championships in Manitoba. All of these successes would not be possible without the continued support of our sponsors. I would like to extend a debt of gratitude to all of our partners, especially Original 16, for their support of this great event. Our sport could not thrive without supporters like you.

We would also like to thank the Beausejour organizing committees and all of the many dedicated volunteers for hosting this year's event. We know you will provide great hospitality for all players and spectators, ensuring this event will be another success!

Good luck to all teams competing and may you be guided by good sportsmanship now and for years to come.
